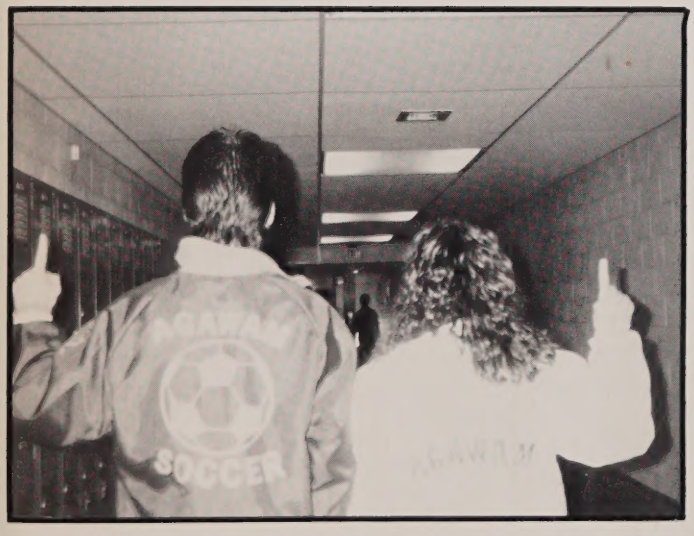
ECHOES 1989

Agawam Junior High School

1305 Springfield, Street
Feeding Hills, MA 01030



Echoes

Memories of the years
forever held inside,
By the echoes.

The times we shared,
those which are now passed.
The sounds so routine
of friends calling hello
and shuffling feet,
contained . . .
By the echoes.

And though I walk
these halls one final time,
I think of the joys and sorrows
these walls have seen,
and am reminded,
By the echoes.

Mr. Thomas O'Keefe, Principal

Principal's Award
Milissa Parentela

The Principal's Award is presented in June to the ninth grade student who is deemed by the faculty to have been the most outstanding student during the past two years at Agawam Junior High. The faculty bases its decisions on the fact that the student is well liked by other students and staff and has demonstrated the following:

Good conduct
Good school spirit
Good academic record
Helpfulness and cooperation
Involvement in school activities
Contribution to school and community
Trustworthiness, reliability and promptness
Respectful attitude toward people and property

This year's winner of the award is Milissa Parentela. Milissa has been involved in a wide variety of activities while maintaining a strong academic record.

Milissa is both vice-president and drum major of the junior high band. She is the flute section leader and has participated in the Solo and Ensemble Festival since 5th grade. Her dedication to perfecting her musical talents is demonstrated with private lessons.

Milissa's athletic ability includes participation in a wide variety of sports. She has played softball in the Sacred Heart Athletic Association and plans to participate on the girls high school track team. She participates in recreational skiing and studies gymnastics privately. Interested in field hockey, Milissa enrolled in Springfield College All Star Camp in the summer of 1988. There she learned the sport and was chosen captain of the junior varsity field hockey team. She also played on the varsity team. Nominated by her coach, Milissa will participate in the Future Stars International Field Hockey Camp at Wayne, Pennsylvania where she will perfect her skills with top field hockey players from all over the United States.

Other school activities include the library staff and cheerleading in the 8th grade and cadre and the yearbook staff in grade 9. Milissa exhibits artistic talent and won the 1988 Memorial Day Poster Contest sponsored by the Veterans of Foreign Wars.

After school hours, Milissa participated in dancing and professional modeling until these activities began to interfere with her school work. She chose to stop them, but still occasionally models for local fashion shows. Milissa displays maturity through her volunteer work with the Granger School Brownie Troop, where she helps the leader conduct scouting activities. She also demonstrates these same qualities through her fulfillment of home babysitting commitments.

Milissa is well liked and respected by students and faculty. She works hard to attain her goals, never complaining about the effort it often takes to see a task completed to perfection. She possesses the ability to foresee the consequences of her actions while maintaining a good sense of humor. She is a very dedicated, hard working young lady.

CONGRATULATIONS, MILISSA!!!!
